Thanks looking forward .

Dear Mrs Simpson:

Last two of these I had to pay .41 on each. Better, when forwarding telegrams, to pay at Baltimore end, & charge to my account. Perhaps Burns might collect the extra .41.

His Excellency,

Gelasio Caetani,

Italian Ambassador,

Washington, D. C.

Dear Gelasio:-

I greatly appreciated your kindness in sending me your interesting book on the coinage of Gaeta. I hope to have a chance of talking with you about it before very long.

We are both sorry that you cannot come over to "Evergreen" in April, but I hope you will be able to come over sometime in May. We want you, not only for a week end or two, but I should also be greatly gratified if you could come for a garden party that I expect to give to the Maryland Branch of the Archaeological Society some day in May. They are a most interesting lot of people and amongst other things are partly responsible for the foundation and maintenance of the American College of Classical Studies at Rome. I know it would be a great pleasure for them to meet you. You would not have to make any kind of an address, and I want you so much that if you would tell me when you could come over I will arrange the garden party for that time.

With best wishes.

Sincerely yours,

JMG/S
